

Bishops Knoll Hospital  
12<sup>th</sup> Oct 1916

Dear Liz  
just a few lines to let you know I am getting on well. I am still in bed but hope to be up in a couple of weeks time. It seems ages since I came into Hospital it is the first I hope it will be the last time I shall have in one. I have had no letters from home or from the boys since I left the Batt. I had a letter from Aunt Maggie & she said she had a letter from Charlie & he said that Ned & Jack were both well also that he had letters from home & that you were all well

friends & love to all at home

I remain

Your Loving Brother

Will

I also had a letter from Uncle Will  
& he said he would come to see me  
if he could get time but if not I was  
to go & see them when I came out.

This is a nice hospital I am in  
everyone is so good to you here but  
I would sooner be back with the  
boys without anything wrong.

Well Liz there is very little to tell  
but I know you will be looking  
for letters so I am sending this  
scribble which I hope you  
will excuse as I still have my  
forefingers in bandages & am  
half sitting up as I cannot sit up  
straight.

Give my kind regards to all
